

Declaration of consent to use pictures, sound and video recording

I agree that pictures, audios and videos recorded during the concerned study abroad program may be used free of charge and for an unlimited period by CEPA Customized Educational Programs Abroad GmbH (CEPA GmbH) for the following purpose(s):

For distribution and public display **on the Internet (website / social media)¹, in internal/external digital media (offline, e.g. presentations), for distribution to the press and other media, in printed advertising materials** in order to promote the company and achieve better customer loyalty.

If the recordings are to be used for other purposes, I will be asked separately for my consent.

As far as my photo contains references to my ethnic origin, religion or health (skin color, head scarf, glasses), my consent also refers to this information.

The legal basis for the processing of personal data is your consent according to Art. 6 paragraph 1 letter a) GDPR. This consent is voluntary. This consent is subject exclusively to German law.

The responsible body for data processing is CEPA GmbH, which is obliged to meet the requirements of the GDPR. You can reach it under

CEPA Customized Educational Programs Abroad GmbH
Burgweg 24, 74379 Ingersheim, Germany
Telefon: +49 (0)71 42 95 65 11
E-Mail: privacy@cepa-abroad.org

CEPA GmbH may transmit the recordings to service providers who support them in the production and distribution of the recordings (e.g. advertising agency, media companies).

You can assert your rights as a data subject under privacy@cepa-abroad.org

You can find a detailed explanation of your rights of data subjects under <http://www.cepa-abroad.org/privacy-policy/> .

CEPA limits the storage of your data to the required period of time.

¹ I have taken note that information on the Internet is accessible worldwide, therefore a further use of these photos by third parties cannot be excluded. Photos can be found with search engines and linked to other information. They can be copied and further processed. This can lead to the fact that information published on the Internet can still be found on the original site even after deletion.
