Program Overview

This program allows students of any major to study abroad for a semester or year, focusing on European politics, cross-cultural studies, or international business management, with excellent support from the European Study Center (ESC).

University of Strasbourg

Students can enroll in courses at either the:

EM Strasbourg Business School is the only Grande École de Management in France affiliated with an internationally recognized university and holds AACSB International Accreditation.

Sciences Po Strasbourg is a Grande École focused on political science and international affairs and is known for its strong emphasis on research, critical thinking, and fostering a global perspective among its students.

About Strasbourg

Strasbourg is a modern and multicultural city of great significance for European leaders. It is the official seat of the European Parliament, the Council of Europe, and the European Court of Human Rights, making it a central hub for political and business leaders. As a university town with a vibrant cultural scene, Strasbourg offers students an exciting study abroad experience at the heart of European decision-making and global dialogue.

Socially Responsible Business and Leadership in Europe

Fall Semester, Spring Semester, or Academic Year Program

Leadership

Examine leadership theories and practices: Through practical workshops and seminars identify your personal strengths and leadership style.

Social Responsibility

Identify a personal socially responsible philosophy: Visit Freiburg, Germany's greenest city and birthplace of the environmental protection movement.

European Culture

A 3-day trip to Paris or Brussels is included in the program as well as many cultural excursions in France and Germany throughout the semester.

Democracy

Learn about democracy and free enterprise systems in the EU:

Visit European institutions (e.g., EU Parliament) to learn how they support democracy, free trade, and economic growth.

Communication

Develop competencies in intercultural communication and management: Learn how to motivate international teams through professional workshops and seminars.
